

NOTICE

The Joint Committee on Public Retirement and Social Security Programs of the Arkansas General Assembly will conduct a regional meeting in April, 2012 in Monticello. ATRS members are encouraged to attend this meeting as it will be a great opportunity to meet various legislators and allow them to hear directly from you, our Membership, about how important retirement benefits are for you and your families.

The first day's meeting, April 16th, will be held in the afternoon and will consist of informational presentations by each retirement system director along with a Q & A session. At the previous three meetings, the first day has been the best time to ask questions and make public comments. On the following day, April 17th, the Committee will conduct its regular business meeting.
