Meeting details from the staff member of the Public Retirement Committee

This is to confirm that the format for the Retirement Committee meetings in Jonesboro Dec. 12 & 13 will be identical to the past meetings held in the other two quadrants of the state.

Monday afternoon (Dec. 12) will be the big public hearing. We will have a total of two hours for director presentations and to answer questions from the audience. Representative Wilkins is expecting a substantial turn-out, so the meeting will be held in the large auditorium in the Fowler Center. Committee chairs and vice chairs, committee members, and retirement systems representatives will all be seated on the stage. The public will be seated on the floor below and will have access to two standing microphones where they can line up to ask questions.
